## Analysis Tools for Grads, Engineers and Scientists

Database Control Manager

- Database access
- Data mining
- Create reports
- Etc...

Support for: SQL, MySQL, MariaDB, Access, Excel

The screenshot shows a software window titled 'Database Control Manager'. It has a menu bar with 'Control', 'Tables', and 'Drivers'. A sidebar on the left lists various database sources and tables. The main area contains a 'Specific Query' section with 'Load file' and 'New file' buttons, and a 'Comments[TE: ...]' field. A white text box is overlaid on the interface, listing capabilities and supported databases.

- Access images in files
- Access images in database
- Render images
- Share images
- Etc...

The screenshot shows a software window titled 'Tekinsil: VIEWER'. It displays a landscape image of a waterfall. A context menu is open over the image, listing options like 'Pause', 'Go back', 'Continue', 'Rotate', 'Add to e-mail', 'Print this', and 'Properties'. A 'Display time (msec)' slider is visible at the bottom of the menu. A white text box is overlaid on the image, listing capabilities.

- Plot data
- Analyze data
- Create reports fast
- Optimize processes
- Etc...

Mean	Sigma	Split

6.50E04	8.51E02	ZIP CODE 437...
6.50E04	6.47E02	ZIP CODE 061...

The screenshot shows a software window titled 'Tekinsil: INCOME'. It features a 'Plot' section with a scatter plot titled 'Income by split: Group/Area'. The plot shows data points for different ZIP codes. To the right of the plot is a table with columns for 'Mean', 'Sigma', and 'Split'. A white text box is overlaid on the plot area, listing capabilities.

- Crop images
- Add comments to images
- Etc...

<http://www.tekinsil.com>

The screenshot shows a software window titled 'Tekinsil: IMAGE MANIPULATOR'. It displays a photograph of a white swan in a pond. A white rectangular box is drawn around the swan, with a text label 'Cropping area encompassing a duck' (note the typo in the image). A 'New Image' dialog box is open on the right, showing 'Open Crop Manager' and 'Zoom (%)' settings. A QR code is located in the bottom right corner. A white text box is overlaid on the image, listing capabilities. The URL 'http://www.tekinsil.com' is at the bottom.
